## Game Instructions:

1. Cut out your game piece from the edge of the paper.
2. There will be four players in each game.
3. You will use one dice to roll, (a dice with numbers is recommended for kindergarten students).
4. Use scratch paper and a pencil to draw a word that begins with each letter you land on.
5. The first player who correctly guesses what the drawing is can move forward 1 space!
6. Take turns rolling the dice and guessing what each drawing is.
7. The first person to reach the end is the winner!
