

Teacher Appreciation Card

Materials:

1. Paper
2. Crayons
3. Scissors
4. Glue Stick

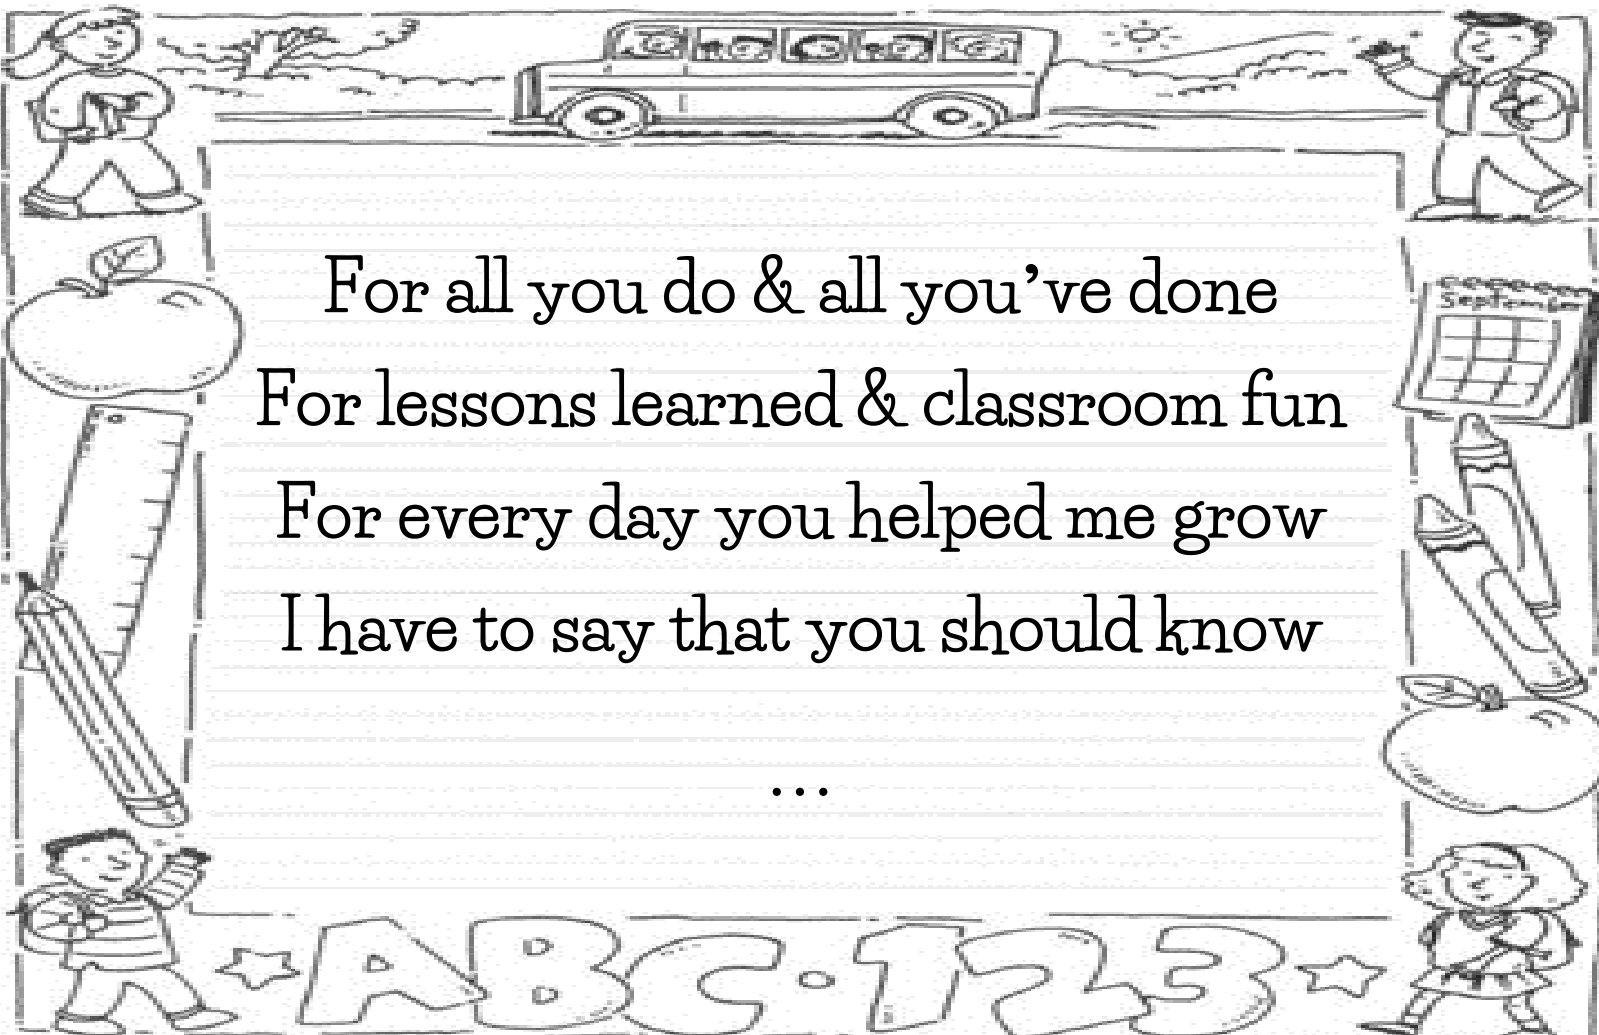

Instructions:

- A. Print out these Teacher Appreciation Card worksheets on your paper.
- B. Color the pages as you like with your crayons!
- C. Using your scissors, cut out the apple shown above.
- D. Fold Page Two, (the page with the message "You are APPRECIATED!"), along the solid line.
- E. Cut along the dotted lines on Page Two, for creating the pop-up tab.
- F. Fold the pop-up tab inward, towards the open ends of the page.
- G. Using your glue stick, glue the back of Page Two to the back of Page Three, (the cover page.) Make sure the cover is facing the top of Page Two, so your teacher can read the inside of the card when he or she opens it!
- H. Glue the apple to the "X" on the pop-up tab, allowing room for the apple to lay flat on the page when you fold the card.
- I. Write a personal message inside!

X

You are
APPRECIATED!

For all you do & all you've done
For lessons learned & classroom fun
For every day you helped me grow
I have to say that you should know
